Fall Placement Information

Placement Information

The information provided at this step is for one placement only. If you wish to apply for a subsidy for more students, you need to create and submit separate applications. You will be able to prepopulate the information that was provided in the first application.

Start Date

The placement must start between September 1-December 31, 2020 and the student must have a [Work-Integrated Learning component](#) in their program or course for the Fall 2020 semester, that they are fulfilling with this placement at your organization.

Sep 10 2020

End Date

Dec 6 2020

Was this placement postponed due to COVID-19?
